

BRISTOL SPIRITS, CARIBBEAN COLLECTION

The Caribbean Collection rum by Bristol Spirits is distilled at Caroni Distillery. Once there were more than fifty distilleries in Trinidad & Tabago but by 1950 that number had fallen to eight distilleries and in 2002 Caroni distillery's fate were also sealed and they had to close.

Tasting notes:

This rum is distilled from sugar cane grown in Trinidad. It is matured in oak casks, and is a blend of young rums which provide a light and pleasant introduction of the joys of this versatile spirit. It is perfect in a drink with freshly squeezed lime, ginger ale and smashed ice.
