BY THE DUTCH OLD GENEVER

Old Genever is made according to an old recipe dated back to 1942. It has a smooth, subtle and malty flavour which comes from using a high maltwine-content made from rye, corn and malted barley, triple-distilled in copper pot stills. The maltwine, which is the base of this gin, is infused and blended with carefully selected distillates from juniper berries and botanicals like hops, cloves, anise, licorice, ginger and citrus.

Nose: Complex, spicy, light malty aroma's with a hint of juniper, anise, citrus peel, cloves, cinnamon and orange flavours.

Palate: Nuanced, spicy, slightly malty flavour with notes of juniper, anise, bitter orange, cloves, cinnamon and cumin.

Botanicals:

Elder flower

Ginger

Citrus

Liquorice

Cloves

Juniper

Anise

Hops

Country: Holland

Distillery: Herman Jansen

Alcohol: 38% alc.

Age: Unaged
