

DOUBLE DUTCH

The Perfect Tonic for Your Spirit

DOUBLE DUTCH INDIAN TONIC WATER

A mixer should elevate the spirit so you will experience a new, richer, deeper and more exciting taste - this is the philosophy behind Double Dutch. It is built on scientific research in the search of finding the finest and purest ingredients. The goal is to combine knowledge and art to create sweet drinks, which can both be used in cocktails or enjoyed neat on ice.

Tasting notes:

The well-known quinine flavour is brightened with pink grapefruit and then deepened with a subtle hint of juniper berry to round out the angularity of quinine and lengthen the finish of the tonic, reducing the bitter after-taste.
