

## SPARKLE DONKEY REPOSADO

---

This tequila is made from 100% blue agave in traditional hornos (ovens). It is produced in the town of Tequila: Jalisco, Mexico and named after the elusive creature El Burro Esparkalo who they say brought the water of life to many who were in need. Reposado, Spanish word for restful, is used to name this tequila because it has rested in American oak bourbon barrels.

**Nose:** Sweet like caramelized sugar with notes of oak.

**Palate:** Smooth and sweet with aromas of caramel, candy and wood. The taste brings out notes of burned oak, caramelized sugar and cotton candy.

---
