WEMYSS MALTS, SPICE KING

Wemyss Malts is a boutique independent bottler based in Scotland. Wemyss is pronounced Weems and is the Scots word for caves. King Spice is West coast signature malts, moderately peated and wormtub distilled to provide an oily mouthfeel and spicy character when skillfully blended with lightly peated core malts. Spice King is a non chill-filtered whisky, selected and blended from 10 single malt scotch whiskies. Used with the Spice King is a short, fat still with wide swan neck and angle lyne arms allows heavier alcohol vapours to pass through for condensing.
