

DOUBLE DUTCH

The Perfect Tonic for Your Spirit

DOUBLE DUTCH CRANBERRY TONIC WATER

A mixer should elevate the spirit so you will experience a new, richer, deeper and more exciting taste – this is the philosophy behind Double Dutch. It is built on scientific research in the search of finding the finest and purest ingredients. The goal is to combine knowledge and art to create sweet drinks, which can both be used in cocktails or enjoyed neat on ice.

Tasting notes:

This Cranberry Tonic with Ginger is a seductive mixer designed to pair the astringency of quinine with the perfectly balanced sweet'n'sour of cranberry, both warmly followed by ginger's complex spiciness lingering lovingly on the palate. Blending a light summery aroma with a warm earthy finish, this new flavour was created in collaboration with Maison Hennessy Cognac to be the soul mate for all dark spirits.
