

CANE ISLAND™

CARIBBEAN AGED RUM

CANE ISLAND CUBA RUM, SINGLE ORIGIN BLEND

Rum is a part of the heart and soul of Cuba, it is an essential element of the culture and identity of the country. Cubas ia a part of the Spanish rum world. Spanish style rums are usually aged for several years in wooden casks and typically have a sweet, elegant and smooth profile. Maturing rum in the tropical climate of Cuba is three times more intense than ageing in colder climates like Scotland or North America, because the high temperatures intensify the interaction between the rum and the wood. The rum in this bottle is column distilled and has matured for a period up to 5 years in American white oak barrels. The base material is molasses.

Tasting notes:

This Cuba rum is a fine and accessible aged rum. It is sweet in a delicate way, and this i typical Cuban style with a perfect balance between spice oak notes and sweet vanilla flavours.
