

RON SUMMUM, SHERRY CREAM CASK FINISH

Ron Summum is a series of rum, which is characterised by a soft and round palate from the Spanish Solera, when older and younger spirits are mixed together in a pyramide system.

Ron Summum Sherry Cream Cask Finish is produced following very old recipes from the Dominican Republic. It is exclusively double aged in sherry barrels from the prestigious cellar Bodegas Arfe, which provides this first creamy Ron Summum with a unique sweetness and complexity.

Nose: First remarkable notes from the sherry wine. Then nuts, prunes and mild hints of frangipane.

Palate: Unctuous and delicate but not syrupy at all. Roasted almond is gracefully tangled with hints from prunes, raisins and vanilla. All that, coated with a fine woody cape.

Country: Dominican Republic

Distillery: Spiritsland S.L.

Alcohol: 40% alk.

Age: 12 years solera blend
