

S.B.S

THE 1423 SINGLE BARREL SELECTION

S.B.S PANAMA 2006

S.B.S Panama 2006 comes from a single cask, which yielded 311 bottles. No distillery is stated at the label of this Panama rum, but that has been specially chosen for the S.B.S series, which is a selection of the finest spirits. Even though Panama is primarily known for its canal, that connects the Pacific Ocean with the Atlantic Ocean, they have much more to offer, ex. some great rums, partially thanks to the country's wealth of sugarcane, which contributes to Panama's stockpile of rum.

Nose: Notable impact of barrel maturation, delicately oaky with hints of vanilla, honeycomb and caramel fudge as well as a fruity cherry note.

Palate: Thick and oily texture with soft flavors of dried apricots, brown sugar and a subtle hint of licorice.
