

## BRISTOL SPIRITS, BLACK SPICED RUM

---

This Black Spiced Rum is made with a blend of aged rums and it reflects the rum tradition from the 18th century where molasses, tobacco and spices were shipped into the port of Bristol. This is a product of Mauritius and Trinidad & Tobago.

### Tasting notes:

Despite touches of fruit and spices, Bristol Spirits Spiced Rum is not as sweet as the normal spiced rum. This leans more towards a Christmas-like peppery, orange and cinnamon spices. Besides that it has notes of tobacco, dried herbs and liquorice. It is a perfect blended and complex rum to be enjoyed neat or over ice.
