

BRISTOL SPIRITS, DIAMOND DISTILLERY

Today Diamond Distillery is the only working distillery in Guyana and also the only distillery, which produces demerara rum. The name Demerara tells that this rum is from Guyana. It is coloured and matured in oak casks and it shows the lighter style that is so typical of this production.

Tasting notes:

Compared to other rums by Bristol Spirits, this is a lighter and more pleasant rum. It has a good length and an easy style which make this a perfect rum to enjoy neat or with your favorite mixer.
