

The Perfect Twin for Your Spirit

DOUBLE DUTCH POMEGRANATE AND BASIL MIXER

A mixer should elevate the spirit so you will experience a new, richer, deeper and more exciting taste - this is the philosophy behind Double Dutch. It is built on scientific research in the search of finding the finest and purest ingredients. The goal is to combine knowledge and art to create sweet drinks, which can both be used in cocktails or enjoyed neat on ice.

Tasting notes:

This mixer is a proof of that pomegranate and basil easily can go hand in hand. With its peppery top note, Basil is a superb counterbalance to pomegranate, delivering a complex, exotic mid-taste that supports rather than overwhelming a mixed drink. The taste is so lavish that you can drink the Pomegranate and Basil Tonic alone.
