

*The Perfect Tonic for Your Spirit*

## DOUBLE DUTCH SKINNY TONIC WATER

A mixer should elevate the spirit so you will experience a new, richer, deeper and more exciting taste - this is the philosophy behind Double Dutch. It is built on scientific research in the search of finding the finest and purest ingredients. The goal is to combine knowledge and art to create sweet drinks, which can both be used in cocktails or enjoyed neat on ice.

### **Tasting notes:**

There is nothing skinny about this tonic even though it contains 60% fewer calories than the classic variety. This tonic is satisfying enough to drink alone but also rounds out the flavour of white spirits.
