

RON DOMINICANA SOLERA RON ESCLAVO

RON ESCLAVO 15

Ron Esclavo is a series of Solera rum from The Dominican Republic blended by Oliver y Oliver in cooperation with I 423. The Solera Method is a process for aging spirits by which different ages are mixed through a pyramid system. By doing so, the finished product is a mixture of ages. Ron Esclavo 15 is number two in the Esclavo series, and is a pleasant rum, perfect for the sweet tooth, but it can also be enjoyed with relish by the experienced connoisseur. Esclavo, Spanish word for slave, named so to pay homage to the people who paid the highest price for us to enjoy this amazing liquor today.
