

VAPOR DISTILLERY GINSKEY

Ginsky is distilled in small batches from the finest all-natural botanicals and well rested in New oak casks to perfection. The process infuses scotch and whisky flavors giving it the nickname “Ginsky”. The recipe for Ginsky starts with Vapor Distillery’s signature Award Winning Rhok. . Then it is aged to perfection for a minimum of 2 years in new #2-char, American Oak Barrels to make the rich smoky, caramel, vanilla and warm spicy oak flavors. No colour is added – the colour is dark because of the aging in American Oak Barrels.

Tasting notes:

The taste is complex spicy aromas and flavours of violet, clove candies, nutmeg and cinnamon sticks with a layer of vanilla-banana custard pastry and floral juniper blossoms. It is supple and dry, yet with a fruity medium-to-full body taste.

Country: USA

Distillery: Vapor Distillery

Alcohol: 47% alc.

Age: Unaged
