

BRISTOL SPIRITS, CARONI 1997

A well-known rum from Bristol Spirits is back – Caroni 1997! But notice this Caroni is bottled in 2016 and therefore one year older than the earlier Caroni rum from Bristol Spirits.

Tasting notes:

This rum was distilled at the Caroni Distillery in Trinidad on their great column still, it is a classic example of their 'HTR' Heavy Type Rum. This small batch bottling from a 1997 distillation, has been bottled at cask strength showing all the quality and depth of flavour for which this distillery was famous for. With fruit and wood on the palate, the high spirit carries you to a long finish.
