

S.B.S

THE 1423 SINGLE BARREL SELECTION

S.B.S TRINIDAD 1997

This gift box is the grand finale in the latest S.B.S series from 2016. 1423 has bought four barrels from the legendary Caroni Distillery in Trinidad and bottled the rum in 0.2L bottles. The Caroni Distillery closed back in 2004, and one day there will be no more casks left. This gift box is a true piece of history, and you get an unique chance to taste and compare rum from four different casks distilled in 1997 at the Caroni Distillery. There are slight differences in colour, but the main difference is in the rums unique taste. It is the same style and typical Caroni rum, but yet so different.
