WEMYSS MALTS PEAT CHIMNEY BATCH STRENGTH

Wemyss Malts—Batch Strength, limited edition, is a new release of blended malts, each bottled at the strength chosen to be ideal for the character of the individual limited edition of 6000 bottles. The Batch Strength Blended Malts have been selected and blended with extraordinary casks of single malt whiskies from over 10 Scottish distilleries and each utilize defining signature malts from a specific region of Scotland. The first three Batch Strength have each been assigned batch NO. 001.

Nose: Brace yourself for ocean waves crashing against coastal cliffs. Marinated scallops, seared by a pungent peat barbeque and seaweed snarled in tarry ropes.

Palate: Hot smoked meats, paprika and pickled ginger burst onto the palette. A mineralic flitiness weaves through fresh apple and lemon sherbet, balancing the saltier notes whilst intense carbolic smoke grows.

Finish: Unrelenting sweetened smoke lingers into a very long finish.
