

# CANE ISLAND™

CARIBBEAN AGED RUM

## CANE ISLAND TRINIDAD RUM, SINGLE ESTATE

Cane Island Single Estate offers authentic aged rums coming from one single distillery.

This rum is distilled by Angostura Distillers in Trinidad. A column still is used, and it has been tropical aged in former Bourbon Barrels. The colour is dark amber, and the base material is molasses. Every single drop of this fine Trinidadian rum has spent the full 8 years in the barrel at the distillery - no refilling of barrels and no "Solera" ageing, but a pure and honest 8 year old rum.

### Tasting notes:

A warm palate with pleasant notes of ripe banana and oak. An enjoyable balance between spicy wood flavours and delicate sweetness, followed by a very gentle finish.
