ORIGENES BY DON PANCHO, 8 YEARS

Origenes rum is developed Francisco "Don Pancho" Fernandez Perez, who has worked with rum development since the early sixties. Don Pancho has worked for distilleries worldwide, which have produced some of the most famous rum brands. With many years of experience and a desire to create a rum without compromise, Don Pancho has finally presented the world for Origenes. This is a rum worth waiting a lifetime for, as Don Pancho says.

Origenes 8 is aged up to 8 years in Bourbon barrels. The style is Spanish, and the base material is melasse, which makes Origenes 8 an elegant rum with notes of caramel, vanilla, maple sugar and dried fruits.

Tasting notes:

Buttery caramel feel with harmonious wood-aged rum flavors and oily macadamia & pepper complexity finish. This is a very well-balanced rum despite its young age.
