

CANE ISLAND™

CARIBBEAN AGED RUM

CANE ISLAND BELIZE RUM, SINGLE ESTATE

This Belize rum is distilled by Travellers Distillers in Belize. Every single drop of this fine Belize rum has spent the full 9 years in the barrel at the distillery - no refilling of barrels and no "Solera" ageing, but a pure and honest 9 years old rum.

Tasting notes:

A warm palate with pleasant peppery notes combined with deep oak. An enjoyable balance between spicy aromas and delicate charred wood flavors. The finish is long and pleasant.
