

TRES HOMBRES ED. 23: LA PALMA FUERTE 2018

Since 2010 Tres Hombres is releasing an annual serie of premium rum. This special blend from the Aldea distillery opens new tasting sensations to the connoisseur of the La Palma rums. Made directly from local sugar cane on the Canary Islands, it entered the oldest bourbon barrels of the distillery for a voyage of seven months around the Atlantic ocean.

Nose: On the nose it is strong but pleasant, with a floral-like sweetness that carries the undertone.

Palate: The taste is characteristic for cane sugar rums with fruit like banana and notes of vanilla. The long aftertaste gives a warm, full feeling, a real party in the mouth!
