

DOUBLE DUTCH

The Perfect Twin for Your Spirit

DOUBLE DUTCH GINGER BEER

A mixer should elevate the spirit so you will experience a new, richer, deeper and more exciting taste – this is the philosophy behind Double Dutch. It is built on scientific research in the search of finding the finest and purest ingredients. The goal is to combine knowledge and art to create sweet drinks, which can both be used in cocktails or enjoyed neat on ice.

Tasting notes:

It is quite a spicy ginger beer, it's earthy and peppery in the beginning while the spicy tones come more in the end and it has a very long aftertaste. The ginger beer is made of 100% natural ingredients.
