

## DARBOUSSIER HORS D'ÂGES

---

Darboussier's famous sugar refinery was created in 1869, right on the docks of Pointe-à-Pitre, by the seaside in Guadeloupe. It was in this "Golden age of sugar" that started the centralisation of sugar factories and included some of the largest sugar plantations of the time. A premium matured rum at 45% abv. It offers generous flavors of burnt sugar and floral aromas.

**Nose:** Delicious notes of burnt sugar and syrup mixed with a floral sweetness and herbal aromas.

**Palate:** Medium-bodied with subtle vegetal and herbal notes, a beautiful touch of oak with a pleasantly mild finish.
