

CANE ISLAND™

CARIBBEAN AGED RUM

CANE ISLAND AUSTRALIA

The Cane Island Single Estate range offers authentic and matured rums that come from a single distillery.

This Single Estate rum from Beenleigh Rum Distillery in Australia is distilled in a pot still and matured in ex-Bourbon barrels. The color is a beautiful copper, and the rum is made of molasses.

Every single drop of this Australian rum has stored 4 years in Australia's hot climate.

Tasting notes:

Copper brown colour. A complex but still very gentle character. This 100% pot still rum brings some subtle balanced fruity and funkiness. It is a truly unique rum from the Pacific region of the world, which combines spiciness, complexity and oaky notes in a very enjoyable way.

Country: Australia

Distillery: Beenleigh Rum Distillery
