

S.B.S

THE 1423 SINGLE BARREL SELECTION

S.B.S AUSTRALIA 2007

S.B.S Australia 2007 is a single cask rum with an outcome of 323 bottles only. The rum is from an Australian distillery and is based on molasses. The rum has been distilled in a pot still in 2007 and was bottled in our warehouse in Denmark in February 2020. The rum has matured in an ex-Bourbon barrel and was bottled at an ABV of 55% vol. As common practise for Single Barrel Selection rums, no chill filtration has been used. S.B.S Australia 2007 is our first expression from Down Under.

Nose: This rum needs some time to develop it's aromas. It greets you with chemical notes of nail polish and plastic to begin with but delevops beautifully complex aromas of figgs and citrus fruits after some time.

Taste: Grassy note with hints of ripe figgs. A bitter finish but nonetheless very round in flavor.
