THE 1423 SINGLE BARREL SELECTION

EXPERIMENTAL CASK SERIES JAMAICA 2014

S.B.S Experimental Cask Series allows you to discover the impact a cask has on rum. Each box presents four bottlings from one distillery, which have matured in different cask types. Enjoy four 0,2l bottles coming in a representative giftbox. This box is the first Experimental Cask Series from Jamaica and showcases four expressions from Worthy Park Estate. The rum used for this box is a WPE marque and has been distilled in 2014. The base is molasses and it has been distilled in a traditional pot still. Three of the bottlings received experimental cask finishes while one rum has been fully matured in an Oloroso cask.
