

ILE MAURICE 2015

Ile Maurice 2015 comes from the Chamarel rum distillery which is renowned to produce one of the best rums of the island in addition to its hospitable Mauritian welcome. It is the younger distillery of the country, inaugurated in 2008, and produces French style rum from pure sugar cane juice sourced from their own sugar cane fields. This rum matured in French oak casks as well as ex- Palo Cortado sherry casks and is limited to 4.190 bottles.
