

RAMMSTEIN VODKA

Rammstein Vodka Export is produced at one of the oldest distilleries in Europe, where it is distilled in column stills with the finest whole grains from Northern Europe. Once distilled, the spirit passes through a unique filtration and purification system giving you a silky-smooth vodka with notes of citrus and orange peel.

Nose: Soft and smooth, with hints of citrus and orange peel.

Palate: A crisp and lasting mouthfeel, with a silky smoothness and a long lasting luscious finish.

Country: The Netherlands

Distillery: Onder de Boompjes

Alcohol: 40% alc.

Age: N/A
