THE 1423 SINGLE BARREL SELECTION

## S.B.S JAMAICA / BARBADOS

S.B.S Jamaica/Barbados is a single cask rum with an outcome of 295 bottles only. The rum is a blend of rums from undisclosed distilleries in Jamaica and Barbados and is based on molasses. The Jamaican rum has been distilled in a pot still, while the Bajan rum has been distilled in a column still. The rum was bottled in our warehouse in Denmark in October 2021. The rum has matured in an ex-Bourbon barrel. As common practice for Single Barrel Selection rums, no chill filtration has been used.

**Nose:** A mix of exotic fruits and spices fill the nose with notes of papaya, bananas and coconut, as well as allspice, pepper and oak.

**Palate:** At first spicy and peppery which is then turning into wood and licorice notes. The finish is mild with a fruity touch of candied pineapple.
