

RON COMPAÑERO ELIXIR EXTRA

An experimental mix of our two most popular Compañeros defines this limited edition - Compañero Elixir Extra. Classic Jamaican rum and tropical flavors of ripe oranges and fresh coconut, combined with exquisite chocolate flavor as a result of the rum from Panama being finished in cacao seasoned casks. A unique experience that gives you great complexity with a smooth and sweet finish. The perfect friendship - by the bottle.

Nose: An explosion of aromas - cocoa, orange blossom, milk chocolate and a subtle note of toasted oak.

Palate: A nice and well-balanced play of flavors, starting with lush oranges and dark chocolate with a slightly minty note. The sweetness of the orange liqueur is well integrated and creates a smooth and mellow finish that is lasting very long.
