

CREACIÓN - SELECCIÓN NÓRDICA

Inspired by the Mayan concept of duality and creation, Master Blender Gabriela Ayala set out to showcase the duality and synergy between rum and barrel with the help of the Cihuatán Creación series. For Creación, Gabriela hand-picked 13 barrels from Cihuatán’s private reserves, ranging from the classic American oak ex-bourbon to our unique Mayan Ceiba barrel finish. The Selección Nórdica edition for Denmark and Sweden is a 17 year-old rum finished in an ex-Cognac barrel. This single barrel edition is limited to 241 bottles.

Nose: Sweet and warming notes of vanilla, caramel and cooked fruits enter the nose. The nose is getting more intense when a few drops of water are added and reveals notes of roasted almonds.

Palate: Strong and intense at first with aromas of spicy oak, mint chocolate and almonds. Subtle notes of cherry sauce and tobacco leaves emerge when water is added.
