

DON OMARIO'S VINTAGE RUM

Don Omario's Vintage Rum is produced at the Travellers Distillery in western Belize, where they use local molasses and water from the foothills of the Maya Mountains. Distilled in double columns, aged in Belize City, where tropical ageing is fast and perfected with secret recipes gathered and mastered over many years. This vintage edition was hand-crafted and first aged by the Master Blender himself, Travellers founder Don Omario Perdomo. First released to honor his legacy on the 10th anniversary of his passing. A true treasure of a rum with a superb blend.

Tasting Notes:

This rum has flavors of an earthy background, coffee, chocolate, fleshy non-acidic fruits – prunes, dried apricots, even dates. The smell advanced past this to mild white pepper notes, caramel and burnt sugar, and comes together really well.

Country: Belize

Distillery: Travellers

Alcohol: 40% abv.

Age: 10 - 14 years
