

COLOMBIA 2010

Colombie 2010 Batch 5 comes from Hacienda Coloma, located in the central mountainous region of Colombia. This exceptionally smooth rum is masterfully blended by Sandra Reategui and Judith Ramirez, two of the best Colombian master rum makers. Coloma is American white oak casks in the hacienda warehouses. This rum received a short finish in casks previously containing coffee liqueur for 6 to 7 weeks. La Maison du Rhum Colombia 2010 is limited to 4.970 bottles.
