

## RAMMSTEIN SCHWARZ GIN

---

Rammstein Schwarz Gin is based on the traditional botanicals like juniper, coriander seed, angelica root, lemon grass and cardamom pods. Elderberry and heavy flavors of raspberry and blueberry are added to enhance the unique color and fruity flavor. This Schwarz Gin is the perfect companion for G&T's or cocktails in a Exclusive purple tint. "Trink das Schwarz in tiefen Zügen".

**Nose:** Lively notes of blueberries and raspberries, brightened by a touch of lemon, underscored by hints of juniper.

**Palate:** Sweet berries mingle with cardamom and juniper, leading to a spicy finish. Perfectly served with a soft or fruity tonic.
